

Changing Tiers?

Use the Member Profile Update form at <https://orchestratedevent.com/update>

From Balcony to General Admission

In addition to choosing the upgraded tier in the Member Profile Update form, you will need to provide the following details:

- Company Logo
- Business Description (up to 200 characters)
- Up to 2 Socials (include existing one if you want to keep it plus any new ones)
- Up to 2 Service Categories (include existing one if you want to keep it plus any new ones)
- Anything else in the form that should be changed or updated (review your current landing page)

From Balcony to VIP

In addition to choosing the upgraded tier in the Member Profile Update form, you will need to provide the following details:

- Company Logo
- Business Description (unlimited characters)
- Up to 3 Socials (include existing ones if you want to keep them plus any new ones)
- Up to 3 Service Categories (include existing ones if you want to keep them plus any new ones)
- Owner Headshot
- Owner Bio
- Which VIP Perk you would like (and related details)
- Anything else in the form that should be changed or updated (review your current landing page)

From General Admission to VIP

In addition to choosing the upgraded tier in the Member Profile Update form, you will need to provide the following details:

- Business Description (VIP is unlimited, so if you want to expand this description you can do so)
- Up to 3 Socials (include existing ones if you want to keep them plus any new ones)
- Up to 3 Service Categories (include existing ones if you want to keep them plus any new ones)
- Owner Headshot
- Owner Bio
- Which VIP Perk you would like (and related details)
- Anything else in the form that should be changed or updated (review your current landing page)

From VIP to General Admission

In addition to choosing the downgraded tier in the Member Profile Update form, you will need to provide the following details:

- Business Description (if your current description is more than 200 characters, you will need to provide a shorter description)
- 2 Socials you would like to keep
- 2 Service Categories you would like to keep
- Anything else in the form that should be changed or updated

From VIP or General Admission to Balcony

In addition to choosing the downgraded tier in the Member Profile Update form, you will need to provide the following details:

- 1 Social you would like to keep
- 1 Service Category you would like to keep
- Anything else in the form that should be changed or updated
